WHY CLIENTS CHOOSE NOVA

We understand that selecting the right contractor is about more than capability. It is about certainty, reliability and protecting your assets, operations and reputation.

Nova delivers commercial roofing, solar and facilities management services with a focus on control, communication and consistent delivery.

COMMERCIAL ROOFING

Nova operates at the point where technical roofing expertise meets commercial and contractual awareness. Our background in complex project delivery, combined with legal and compliance understanding, ensures every decision is made with full consideration of risk, programme and long term asset performance.

COMMERCIALLY FOCUSED DELIVERY

- ✓ Clear scope, cost and programme from the outset
- ✓ Works aligned to operational requirements
- ✓ Minimal disruption to your business
- ✓ Solutions designed for long term value

RELIABLE PROJECT EXECUTION

- ✓ Experienced site and project management
- ✓ Structured delivery from survey to completion
- ✓ Transparent communication throughout
- ✓ Programmes that are met and managed

FAST AND RESPONSIVE

- ✓ Rapid response to urgent issues
- ✓ Planned and reactive capability
- ✓ Nationwide coverage
- ✓ Support when and where you need it

COMPLIANCE AND RISK MANAGED

- ✓ Fully compliant working practices
- ✓ Health and safety-led delivery
- ✓ Documented reporting and audit trails
- ✓ Peace of mind for stakeholders

A PARTNER YOU CAN RELY UPON

Whether delivering targeted repairs or full scale projects, Nova provides the structure, capability and accountability required to deliver with confidence.

PROJECT DELIVERY EXAMPLE

Commercial Roofing Refurbishment

OVERVIEW

Nova delivered a full commercial roofing refurbishment to a live operational facility. Works were carefully phased to ensure continuity of operations and minimise disruption.

- ✓ **LIVE OPERATIONAL SITE MAINTAINED**
- ✓ **PHASED DELIVERY APPROACH**
- ✓ **COMPLETED ON PROGRAMME**
- ✓ **ZERO DISRUPTION TO OPERATIONS**
